

Kristy LeMond

Impact Grant Application

Kristy had a passion for helping children and acted upon that calling at a young age. Kristy travelled to the Dominican Republic, Tanzania, and Chile, volunteering and working with children. Each time she returned from a journey, her heart overflowed with love for the children she met. Her unconditional love, genuine care, and glowing smile left an imprint on the children as well. She wanted to make a difference in their lives, and through this she learned that giving herself to others filled her heart and gave her a sense of purpose for her life.

Kristy was part of the SIVBC family for 5 years as a player and 2 years as an assistant coach. She loved volleyball and used the sport to connect with kids during her travels. In honor of Kristy's life, the LeMond family has partnered with Sudden Impact Volleyball Club to start an Impact Grant. The hope is to inspire other SIVBC members (past and present) to find and follow their passion to make an impact through volunteerism, as Kristy did.

Requirements: A member of Sudden Impact for a minimum of 2 years. Grant shall be used for volunteer project. Applications due on or before April 15, 2024.

Applicant name:

Grant amount requested (limit 1 per family per year. Maximum \$2500/grant):

Project/Organization:

Your Mission: Tell us in 300 words or less (attach to application form) what your plan or project is to make an impact. Please include the reason for your choice, specifics on how you will use the grant, and the community need (local or global) that you will impact.

Please submit your application to Kristy LeMond Impact Grant 13405 SE 30th St., Suite 1-B, Bellevue, WA 98005 or via email to info@sivbc.org
